CURRENT ACADEMIC POSITION

SCIENTIFIC ADVISOR for European and International Funding, EU Liaison Office, Université libre de Bruxelles 06/2024 - present

Scientific support in obtaining and managing European (including Horizon Europe) and international funding in the field of Social Sciences and Humanities. Research management and support for the implementation of funded projects (including consortium management, reporting, and liaising with the European Commission). Monitoring of European R&I policy and research programs, strategic R&I policy priorities negotiation (CREF-VLIR EU Affairs committee, UniLION), research ethics regulations monitoring (EU ABS Regulation, Nagoya protocol).

PREVIOUS ACADEMIC WORK EXPERIENCE

ASSOCIATE PROFESSOR IN POLITICAL SCIENCE (Maître de Conférences) 10/2012-05/2024
European School of Political and Social Sciences, Catholic University of Lille, France.

Skills: Solid experience in academic programs management, academic service, and curriculum development. Proven track record of leading research projects from strategy to execution, in successfully competing for national and European funding and in negotiating and managing international inter-institutional agreements. Strong research experience supported by publication record and extensive participation to international research networks.

Management: Director of ESPOL-LAB Research Centre for European and International Politics, Director of the MA programme in Digital Politics and Governance (2023-2024).

Teaching: Broad experience in teaching courses (taught in English and French) in the fields of Internet & Politics, Digital Democracy, Smart cities, European Politics and Policy-Making, Political Sociology.

Research: Expertise on digital politics and policy, digital democracy, AI policy and regulation, and political behaviour.

Academic Service: Management of the Research Centre of the department (2023-24): definition of the research strategy, activities and policy of the centre; management of its budget; chairing of the 2024 research output evaluation by the French Ministry. Creation of a master program from scratch. Direction of the program: managing student and instructor recruitment, curriculum development, coordinating the marketing and communication strategy and overseeing financial management. Supervision of 2 postdoctoral researchers in 2022-2026 and at least 15 BA and 4 MA theses each academic year. Participation in the recruitment process of MA students. Chairing or participating in more than 12 hiring committees for administrative, research and academic positions at the UCLille. Between 2018 and 2023, Coordination of the Research Cluster on the Quality of Democracy of the research centre of the department. Between 2012 and 2021, management position as the International Programs Coordinator for ESPOL. Definition of the internationalization strategy for the department and negotiation of (and then managed) over 60 Erasmus and bilateral inter-institutional cooperation agreements with universities in Europe, Asia, the Americas and Africa. Supervision of the operational management of the flux of incoming (80/year) and ongoing (150/year) students. Member of the International Relations Committee of the Catholic University of Lille, responsible for designing and implementing the international development strategies of the various Departments and Schools of the UCLille.
